#### - LF Storage:

The thing is here first LTD was brought this topic, they want a bigger storage space. Kåren is thinking the storage space is big. Option one is why don't we split it into four pieces, four cubes? And four associations can use it, associations can store the things that are easily moved from their storages and associations doesn't need to move the shelves. The shelves can stay in verities and then if there is four cubes that means four associations can use it. But if associations want to split it into two sides, then it would be only two association and maybe these option helps. What do you think? Beware, Folke, IMF and Stretch they are running the space. They are very cramped. But the rest of the storage looks like bit freer. Would it be an option maybe that's all associations store there like in wagons. This is good option. Maybe associations can fit eight wagons there, because associations can park it and then

middle would be free for moving the wagons. How do we keep the space clean because if people put their storage or trolleys, then people are gonna put stuff on trolleys and then someone's gonna push it to the floor? Kåren can put a notice on the wall like the rules of courtaring space. Final decision is that Kåren give one fourth of the square meter to SMS and the rest would be storage for six trolleys. If associations want to move the trolleys, they are gonna send the email or team's message to Shervin or Damla so Kåren know also like who is having it and if it is full, we have to say it's full. Associations will wait for us to tape the place.

- Graduation speech:  
Rektor wants to associations can talk in the graduation. Associations will think about it and let us know.
- Feedback for Halloween party:  
It was the biggest. Musics were better than last time. Everything was fine.
- Reposting LFs post on social media:  
Tell your communicator, if you want Kåren to publish your events on Kåren's social media, please tag us so we don't miss it.
- Booking a room or place on the campus:  
This is a reminder. If you would like to book a spot on campus, please send to Damla a request at least 3-4 business days before the event. Not on the weekend. Damla can't help at the last minute.
- Reminder for Murder Case Night:  
We have Murder Case Night in Eskilstuna on November 28th between 7.00-9.30. If you wanna join, please get your free tickets in Hittract.
- Christmas party:  
We need help in the wardrobe. It could be 2 hours for one person and then switch. Jennifer will help in the wardrobe. Jirik will give dinner to the students who help and Kåren is gonna give the free tickets to the students who help us. 3 or 6 people are enough. Associations will let us know if someone is interested to help.
- Vote:  
Please tell us if you want to vote something in the meeting, it can take long so please let us know.
