- Empty LF Storage
Final decision was that we gave one of the 4 places to SMS and the rest would be storage for six trolls. We divided the empty LF area into 4, if you want to use this place, please send the email or teams' message to Shervin or me so we will know who is having it and if it's full, we will say it's full.
- Volunteering in Hogvarv
18 February in Eskilstuna, 20 February in Västerås. What companies you are interested in having at Högvarv. So you can show interest by being association representative for the day to bring students in your association to these companies. Associations will share their ideas later because they don't have any idea right now. They are gonna think about it.

- The list of new students
It will be ready on 20th of December.

They think it didn't make sense because they have money left and other associations have this as well and other associations got this money. But if they compare like the amount, their amount is lower. They wanted to know if there is mistake.
