- An Event Group in Västerås
Last meeting we talked about event group. Planning has an event group in Västerås. LFs will have the right to veto against chosen representatives from their own association. You should be able to tell us this person is good for us. MDSU will fund these events, but MDSU will have the right not to fund an event not approved by MDSU board. MDSU will help funding the group, plan presenting and help with how to be organized. Event group will be working in shifts, and it doesn't necessarily represent MDSU but works together with MDSU. MDSU will have a form for the applications and then share with the LFs.
- Appreciation Awards
We will have Appreciation Awards and have Project Group for it. We have good budget for this event. It's gonna be a big event in Eskilstuna. We will have buses for Västerås students. If anyone is interested to join this group, please let us know. That will be a paid work. There will be meetings maybe twice per month and everyone will get their own responsibility. It's gonna be a small group at first and then maybe we can take more people if we need. Be ready when we send the applications.
- Hagska palatset
We have a deal with Metro restaurant. If you wanna have catering, they have several alternatives, we recommend them if you look for the venue for your sittnings or anything else. Contact person for catering and for lokal: Angelica Öberg, 070-815 84 67

- They are talking about setting up a secure password manager and once that's set up, they are planning on offering this service to the LF boards. So LFs could have actual secure passwords instead of sharing them in open text files. Each individual board member could have a login and then all passwords can be secured.
