- MDU – The Welcoming VT26:
MDU is planning welcoming VT26 and want input from the LF utskott in Västerås.
The winter edition is smaller than the autumn edition, less programs. Expectation 500 students for welcoming VT26, 22nd Jan. 17-19.
The layout will be more cosy and reflect a living room type of event instead of a party.
We will be going down the stairs to the stage, hot chocolate is suggested by a student.
Suggestion is a serve yourself type of buffet, for example tacos.
They will try to make sure they have options for the most common allergies.
Make your own bracelet, some hockey type of game, quiz walk.

- Ski trip to Romme:
More LFs and members can be involved. 2-3 LFs from Eskilstuna wants to join on the trip. MDSU will be sponsor to the buses. Maybe MDSU can be sponsor to the sandwiches and waters. DALO has a meeting tomorrow about it and they will share the details with LFs.
- Event Group in Västerås:
As we talked in the last meetings, MDSU wants to have an event group in Västerås. Event group will be like an extra job. It is gonna be paid. It will be up to each association.
Toufic has an application form, he is still not sure when he sends the form. Should it be now or after Rookie period?

Decision: MDSU will wait to send the form until the Rookie Period and start recruiting after Rookie period.
- Appreciation Awards – Project Group:
It's small group for an event. We have 350000kr budget for this event. Application process will be starting very soon. People can apply this group, and we will start working together. It's long project.
- New Rookie Policy:
We have new version. Toufic shared it on Teams and if LFs have any association, they will contact Toufic.
