

Board Presidium

The Board Presidium consists of the Chairman and two Vice Chairmen, who are responsible for the overall leadership, management, and strategic direction of Mälardalen Student Union (MDSU). The Presidium ensures that the organization operates efficiently and in accordance with its governing documents.

The role includes responsibility for organizational coordination, finances, insurance, and the union house, as well as maintaining contact with municipalities and external stakeholders. The Presidium also oversees staff management, including development talks, employer responsibilities, and team activities.

In addition, the Presidium represents MDSU in external contexts, participates in strategic councils at Mälardalen University (MDU), and coordinates with national student organizations. The role includes responsibilities for reporting, documentation, and leading the board's work.

Key Responsibilities:

- Organizational management, governance, and finances
- Staff coordination and employer responsibility
- External relations and strategic representation
- Reporting and annual documentation
- Board leadership and administration

Elected: on Spring Council meeting in May

Mandate period: 3-years

Extent: 100%

Work area: Västerås and Eskilstuna
